Interiors	58

- 1 **ENHANCED DURABILITY:** Sliding wardrobes are fitted with soft close as standard, ensuring greater stability and longevity.
- 2 **AESTHETIC EXCELLENCE:** No unnecessary rows of holes, just precision-drill only where needed. This approach keeps the interiors of the wardrobes as sleek and refined as their exteriors.
- 3 **OPTIMISED SPACE UTILISATION:** Furniture is offered in ten different widths—allowing you to maximise every inch of your space efficiently.
- 4 **CONSISTENT FINISHING:** Cabinets boast 14 matching finishes for doors and drawers, ensuring a uniform look inside out—a true hallmark of quality craftsmanship.
- 5 **VERSATILE DESIGN OPTIONS:** Wardrobe units are thoughtfully designed to provide contemporary options with sleek panelling or flush-fitted infill panels, as well as traditional styles featuring cornices and a recessed ceiling scribing panel.
- 6 **SUPERIOR INTERNAL FEATURES:** Internal drawers are designed to extend fully, utilising soft-close runners and partially colour-matched drawer boxes, maintaining quality down to the last detail.

Harbour

British design at its very best. Made to measure steel framed mirrors and decorative solid doors in a broad range of finishes and colours. Designed to maximise space and create effortless order.

i-Slide
Bespoke Sliding Wardrobe Doors

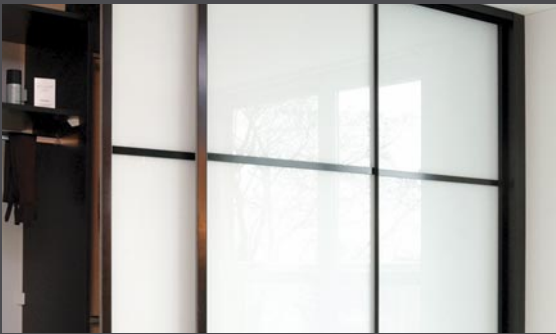

Harbour

Made to measure

Who said you can't have beauty and brains?

Whether you long for understated elegance or sumptuous luxury, the Harbour range of steel framed mirrors and decorative sliding solid doors can be tailored to suit your exact requirements.

Design the bedroom you've always dreamt of with a superb range of frame finishes, such as the stunning chrome effect, warm wood grain and scratch resistant vinyl or paint.

Black vinyl frame with mid-rails with pure white glass

Create the illusion of greater space with the addition of mirror panels that can be tinted to add warmth and subtle colour to your bedroom ambiance, or diamond cut to add an air of refined elegance. Add a solid door panel to blend with your bedroom furniture to create a fully integrated design statement.

And with a comprehensive range of interior components to help you organise your clothes and personal items, you can say goodbye to cluttered and chaotic cupboards for ever.

White paint frame, pure white glass with pebble grey centre panel

White paint frame with silver mirror

Harmony

Who was it that said to have a touch of luxury costs a fortune? Not with the HARMONY range. This understated system adds a sense of well-being to any space.

i-Slide
Bespoke Sliding Wardrobe Doors

Santa Fes also displaying a grey mirror and silver mirror door

Harmony

Elegant sophistication

This range helps create a harmonious space which will elegantly and subtly combine all the functional aspects of any room whilst at the same time providing an area of comfort and well being.

From a wardrobe to a room divider, Harmony is simplistically designed to lend itself to any application so that minimalism can be achieved without compromising on those key features.

Bronze frame with ivory glass

The choice of striking Silver Anodised and beautiful colour tones ensures that this system will always have a sophisticated appearance. Frame colours to suit traditional or contemporary taste means that you don't have to change yours.

Mid-range

Aluminium profiles with various finishes in each system

Can also be used as room dividers

Soft closing option available

Haven

With its sharply defined frame and eclectic selection of coloured and textured finishes, this range is the ultimate in chic.

Haven

Defined design

The bedroom says a lot about your home which is why design is so important.

Inspired by contemporary trends for sleek lines and shared with an audaciously bold silhouette, the Haven's' intentions are to make a loud style statement which won't fail to exceed expectations.

Bronze frame with silver mirror and grey Vincenza with pure white glass

Added to the mix are a variety of wonderfully 'unique' idiosyncratic glass and decor panels, which lend a hand in embracing the cutting edge design, collectively bringing the system to life.
